Hodge's Creek Road Project Resumes After Amicable Agreement

Release Date: 26 February, 2025

The Ministry of Communications and Works has announced that an amicable agreement has been reached with the Chalwell family regarding the erection of a fence in the area of the road works in Hodge's Creek.

The agreement will allow for the continuation of the project, following a meeting to address the family's concerns. Work will include the rehabilitation of the existing sidewalks and the installation of new drainage systems, enhancing the overall infrastructure of the area.

The Ministry of Communication and Works will continue to work closely with the Chalwell family and other stakeholders to ensure that the project progresses smoothly and benefits the community as a whole.

The Government of the Virgin Islands remains committed to the ongoing development and maintenance of public infrastructure, ensuring that utilities are reliable and affordable, thereby enhancing the quality of life for all residents and visitors in the Virgin Islands.
