Public Encouraged To Give Feedback On COI Reforms

Release Date: 11 February, 2025

GOVERNMENT OF
VIRGIN ISLANDS
Office of the Governor

Governor Daniel Pruce is inviting feedback on the Commission of Inquiry reforms. Feedback received will be reported to the UK Overseas Territories Minister, Stephen Doughty MP, to inform decisions about the next steps in the reform process.

Minister Doughty visited the Virgin Islands in November 2024 and asked the Governor to gather views from the public about the impact of the Commission of Inquiry reforms. A public survey has been launched and a dedicated mailbox has been set up.

The public is encouraged to share their views before the 2nd March deadline.

Governor Pruce said, "This is an important opportunity for people to comment on the COI reforms. I encourage everyone to share their views and experiences."

Please take the time to complete this short survey, it should take no more than a few minutes: <https://www.smartsurvey.co.uk/s/BVICOI/>

Any general comments can be emailed to bvicoi@fcdo.gov.uk.

All feedback will be treated sensitively and anonymously.
