
Public Asked to Halt Disposing Engine Oil at Waste Facility

Release Date: 21 May, 2025

The public is notified that effective immediately, there is a halt to the disposing of engine oil at the Waste Oil Facility in Sea Cows Bay. Persons are asked to stockpile their oil until further notice. Any inconvenience caused is regretted. For further information, contact Acting Director at the Department of Waste Management Mr. Ahdan Doward at 284-468-4934.
