
Marine Rescue Exercise Set for June 5

Release Date: 3 June, 2025

The public is notified that Marine first responders from across the Virgin Islands will collaborate on a rescue simulation exercise in Road Harbour on Thursday, June 5.

The scenario is being coordinated by the Department of Disaster Management as part of its annual training and exercise calendar.

For more information about emergency exercises and training, please contact the Department of Disaster Management at (284) 468-4200.
