Upper Johnson Ghut/Long Trench Road Works to Begin June 25

Release Date: 23 June, 2025

The public and, particularly residents and motorists in the upper Johnson Ghut/Long Trench area, are notified of the construction of retaining walls and road pavement commencing June 25.

The works will be undertaken along a secondary road and are anticipated to last for a period of four (4) months. Motorists are advised to exercise caution and follow all traffic signs and personnel while traversing the area.

Provisions will be made for localised access as may be required. The Ministry of Communication and Works apologises for any inconvenience that may be caused. Further notices will be forthcoming as the works progress.
