## Updated Fogging Schedule for Today September 1

**Release Date:** 1 September, 2025

The Environmental Health Division, Vector Control Unit will be conducting fogging exercises on today, Monday September 1 in the following areas beginning at 5:30 p.m.

| Location   | Date                         |
|--|------------------------------|
| Ballast Bay, Cane Garden Bay, Soldier Hill, Round Hill, Meyers Estate, Green Bank, Harrigan's Estate, Doty/Chalwell, Long Trench, Cooten Bay, Rogue's Bay, George's Northside, Spooner's Estate and Fahie Hill | Monday<br>1<br>Septem<br>ber |

Persons with respiratory illnesses, particularly asthmatics are advised to vacate fogged areas for at least an hour. In the event of inclement weather, such as rain or high winds, fogging will not be performed.

Community members are asked to assess their properties and cover, mesh, discard or turn over all receptacles/containers that can collect water to reduce mosquito breeding. For more information, contact the division at 468-5110.
