
Fire Safety Awareness Presented to East End, Long Look Senior Citizens

Release Date: 9 October, 2025

Senior citizens in the East End, Long Look community were given a fire safety awareness presentation by Fire Officer Mr. Geraldo Barry at the East End, Long

Look Community Centre on Thursday 9th October. The presentation included key information about fire safety as well as preventative measures to avoid starting or feeding an ongoing fire. The fire safety awareness presentation was held as a part of Fire Safety Awareness Week 2025, which is being observed under the theme "“Charge into Fire Safety: Lithium-Ion Batteries in Your Home.”"
