Road Works Ongoing on Sir Francis Drakes Highway along the Fort Recovery Area

Release Date: 27 January, 2026

The public is advised to exercise caution while traversing to and from West End in the area of Fort Recovery to Cox Heath corridor.

Motorists are asked to exercise caution as Revetment work is in progress to address critical coastal protection and roadway improvement, which could result in delays to traffic.

The Ministry apologises for the inconvenience caused as this critical work is being carried out.
