Environmental Health Hosting Training Session for Water Distribution Facilities

Release Date: 5 March, 2026

The Environmental Health Division (EHD) will host a training session for staff of water processing and distribution facilities on **Thursday, 19 March at 5:00 p.m.** in the **Lecture Room at Elmore Stoutt High School.**

The session will provide guidance on the requirements necessary to ensure continued compliance with EHD water quality standards and maintain valid certification.

This training is intended for **new staff,** as well as **personnel whose certification is nearing expiration.** New staff members are required to bring a **passport-sized photograph**, while those renewing their certification should bring their **current certificate.**

Participation is essential to maintaining operational standards and regulatory compliance.

Interested persons are asked to confirm attendance by **13 March 2026** by emailing **ehd@gov.vg.**
