Agriculture & Fisheries Exhibition 2026: Official Activities Lineup

Release Date: 9 April, 2026

The Agriculture and Fisheries Exhibition and Market 2026 returns as a vibrant celebration of local talent, culture, and industry, bringing together farmers, fishers, artisans, and families for two days of community engagement at the Road Town Festival Grounds.

Patrons can enjoy a dynamic mix of activities including live cooking demonstrations such as fish corning and conch ceviche, cultural performances by local schools and bands, and exciting crowd favourites like the greased pig competitions, tug o’ war, and strong man and strong woman contests.

The event highlights the importance of sustainable agriculture and fisheries while showcasing the Territory’s rich heritage through interactive experiences, friendly competitions, and live entertainment.

It is a space where tradition meets innovation, and where the public can connect directly with the people who nourish and sustain our islands.
