Release Date: 21 May, 2026

Periods for challenge and outcome

28. (1) A tenderer must bring an application for reconsideration within 10 days of the date on which the proposed award is notified to the bidders in accordance with section 52(2) of the Act.

(2) The procuring entity shall within 10 days, in writing, notify the challenger of its reasoned decision setting out, where the application is dismissed, the grounds for dismissal or, where the application is upheld, the corrective measures to be taken by the procuring entity.

(3) The challenger shall have the right to seek review by the Procurement Appeals Board if

(a) its application has been dismissed by the procuring entity, or
