

Water Management Training Set for August 18

Release Date: 29 July, 2026

The Environmental Health Division will be hosting a Water Management Training on Tuesday 18 August at 5:00 p.m. at the Elmore Stoutt High School Lecture Room.

The training is intended for new employees and persons whose certification is approaching expiration at water bottling plants, ice processing plants and water vending machine operations, including technicians.

The session will provide participants with the necessary guidance on water quality requirements to support continued compliance in order to maintain valid certification with the Environmental Health Division.

New participants must bring a passport-sized photo, while persons renewing their certification must bring their current certificate.

Email the Division at ehd@gov.vg to confirm attendance by 14 August 2026.
