SCOPE OF SERVICES

Aim of the Project

The purpose of this procurement is to obtain a comprehensive insurance programme for the Ralph T. O'Neal Administration Complex for a policy period of one (1) year. The insurance programme shall provide appropriate protection for the Government's property assets, ongoing construction activities and third-party liability associated with the Construction Development and Services of the Complex during the policy period.

The insurance programme shall include, at a minimum, the following classes of insurance:

a. Contractor's All Risks Insurance;
b. Extended Fire and Theft Insurance; and
c. Public Liability Insurance.

In accordance with the requirements set out in these Tender Documents.

Background

The Ministry of Communications and Works has embarked on a programme of renovation, reconstruction and enhancement of the Ralph T. O'Neal Administration Complex following the extensive damage sustained during the 2017 hurricane season. The works form part of the Government of the Virgin Islands' ongoing investment in restoring and modernising its principal administrative facilities.

The ongoing construction programme and continued occupation of the Administration Complex require the Government to a range of property, construction and third-party liability risks. To manage these risks and protect the Government's financial interests, the Government requires a comprehensive insurance programme for the duration of the policy period.

Communication System

English shall be the language used for all written and verbal communication as it relates to this proposal.
