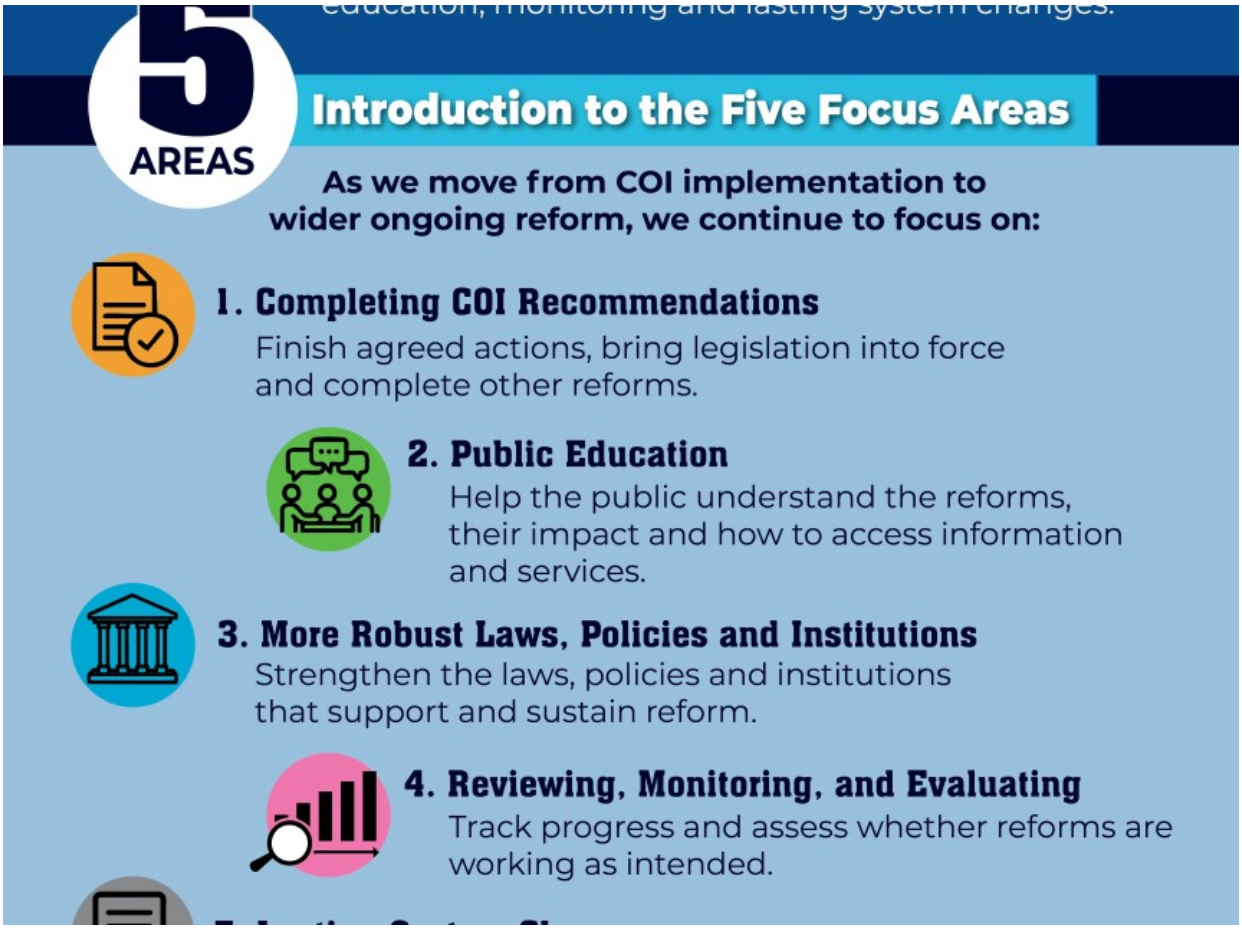
What is Governance Reform?

Release Date: 21 September, 2026



Governance Reform is the continuing work to strengthen how the Virgin Islands is governed through laws, policies, institutions, public education, monitoring, and lasting system changes.

As we move from Commission of Inquiry (COI) implementation to wider ongoing reform, the focus remains on five key areas:

- Completing COI Recommendations
- Public Education
- More Robust Laws, Policies, and Institutions
- Reviewing, Monitoring, and Evaluating
- Lasting System Changes

The goal of Governance Reform is to help create a system of governance that is more responsive, more effective, more accountable, and more transparent.

Read the infographic to learn more about the five focus areas and how they support ongoing reform in the Virgin Islands.
