REQUEST FOR PROPOSALS (RFP)
CHAUFFEUR SERVICES FOR ELIGIBLE FORMER MEMBERS
OF THE HOUSE OF ASSEMBLY, VIRGIN ISLANDS

8. GENERAL SPECIFICATIONS

The House of Assembly is the legislative body responsible for making laws for the Territory, and the House of Assembly Management Commission is responsible for its administration. As a chauffeur, it is essential to understand the importance of the Services to be provided to Former Members of this institution. The successful tenderer (the "Provider") should be guided by the following principles of professional conduct in providing the Services:

8.1 Provider should approach their duties with utmost respect and professionalism.

- Always use appropriate titles when addressing Former Members and Members, as advised by the Commission;
- Arrive in good time for each Assignment. Punctuality reflects respect for the Former Members and for the events they attend; and
- Dress professionally, as neat and clean attire demonstrates our commitment to excellence.

8.2 Provider should understand the mobility needs of Eligible Former Members.

- Offer patient, courteous and appropriate assistance when entering and exiting the vehicle and at the point of pick up and drop off; and
- Handle any mobility aids with care and ensure that they are safely stored during transport.

8.3 Provider should be aware that the conduct of the Commission Vehicle and the manner of driving significantly impact the overall experience of Eligible Former Members. It should therefore keep the vehicle clean and comfortable, report any maintenance need to the Commission promptly, and drive in a safe and smooth manner at all times.

8.4 Provider may have access to sensitive information and therefore must maintain confidentiality. Avoid disclosing private conversations of Former Members, and all information relating to their health, mobility, residence and recoveries should be protected and secured. Providers will be required to execute a Non-Disclosure Agreement with the Commission.

8.5 Chauffeur services for Former Members require flexibility. Availability of assignments or extended events, Providers should be adaptable and ensure that Eligible Former Members are safely transported.

9. EVALUATION

In consideration of the tenders response to the Commission's requirements, consideration will be given to the capacity of the tenders to perform the Services, experience, driver qualifications, and feedback on their quality of services provided to past clients.
