Vacancy Notice- BVI Hong Kong Office Analysist Political Economy Officer

Release Date: 10 November, 2026

The **Analyst/Political Economy Officer**
plays a key role in advancing the British Virgin Islands' (BVI) strategic and economic interests in Hong Kong, China, and the wider Asia-Pacific region. This full-time position involves conducting in-depth research, providing analysis, advising on policy matters, and supporting a range of diplomatic, financial services, and economic initiatives. The role requires an
individual with strong analytical skills, the ability to engage with stakeholders, and a keen understanding of the BVI’s role in global political and economic dynamics.
