Vacancy Notice - BVI Hong Kong Office Business Development & Partnerships Manager

Release Date: 10 November, 2026

The **Business Development & Partnerships Officer** is a senior strategic and representational role responsible for advancing the BVI's economic, financial services and business interests across the Asia-Pacific region. The Officer will lead business development initiatives, identify and develop, cultivate high-level relationships, and establish partnerships with public and private-sector stakeholders and organisations. The Officer will also provide strategic analysis and market intelligence to inform the Office's business development priorities, drawing on research and analysis undertaken within the Office.

Working closely with other colleagues, the Officer will translate market, economic, political and regulatory developments into actionable opportunities and recommendations for the BVI.
