

12 March 2026

Education Month 2026 Continues With Week Three Activities

The Ministry of Education, Youth Affairs and Sports continues its observance of Education Month 2026 with several activities scheduled for the week of 16th–20th March.

Activities begin on Monday, 16th March with the Early Childhood Development (ECD) Book Parade on Anegada.

The National Science and Innovation Fair will be open to the public on Thursday, 19th March at the Multi-Purpose Sports Complex, with the Closing Ceremony taking place on Friday, 20th March.

Also on Friday, 20th March, schools across the Territory will host Open House activities, and the public is encouraged to participate in “Rep Your College Friday” by wearing apparel representing their alma mater or their child’s college or university.

The Ministry encourages the public to continue to support Education Month activities taking place across the Territory throughout March.
