Relocation of Public Health Unit and the Department of Waste Management

The Ministry of Health and Social Development wishes to inform the public that the Public Health Unit (PHU) and Department of Waste Management will be relocating from the Union Property Building effective Monday, 31 August 2026.

Effective Tuesday, 1 September 2026, members of the public are advised that the offices will be temporarily located as follows:

- Public Health Unit
Ground Floor, Social Development Department Building. Adjacent to the Environmental Health Division
- Department of Waste Management
Ministry of Health and Social Development, Voronica's House of Commerce in Long Bush

The Ministry apologises for any inconvenience that may occur during the transition and assures the public that every effort is being made to minimise disruptions to services.

The public is encouraged to take note of these temporary locations when seeking services from the affected departments.

Please note that all existing telephone numbers and contact lines for the Public Health Unit and Department of Waste Management will remain the same.
