

3 September 2026

Parham Town Vehicle and Boat Removal Notice September 3rd

The Ministry of Communications and Works is notifying the owners of all vehicles and vessels currently located on the site adjacent to Alphonso Gas Station in Parham Town that sewerage infrastructure works are scheduled to commence shortly.

As part of these works, the site will be required for the installation of a pump station. Accordingly, all owners are required to remove their vehicles, vessels, and any other belongings from the site no later than **17 September 2026**.

Any vehicles, vessels, or other items remaining on the site after this date may be removed by the Ministry.

The Ministry of Communications and Works apologises for any inconvenience this may cause and thanks affected owners for their cooperation as these essential sewerage infrastructure works are undertaken.
