Tortola Water Disruption Notice 12th October 2026

Residents of Tortola are notified that there will be scheduled maintenance at the Seven Seas Water Plant on Monday 12th October from 8:00a.m to 11:00a.m. As a result, there may water disruptions across various communities on the island.

Residents are asked to make preparations ahead of the scheduled maintenance.

The Water and Sewerage Department apologises for the inconvenience caused as the important maintenance is executed.
